It includes the latest and greatest technological inventions developed by dermocosmetics research: substances like Phytocomplex, Cyclodextrins, Collagen, Hyaluronic Acid Microspheres, Azelaic Acid, Tomato And Malic Acid, as well as other innovative active ingredients that act resolutely in different combinations. **The line includes a range of products, with the objective of strengthening and / or to completing the results obtained at the beautician and in some cases to act more specifically for integrating and customizing the various treatments.**

The products available range from the specific filler for lip contour, lip volumizer, creams and gels for the eye, bags and décolleté, to fleeces and active concentrates with Collagen and Hyaluronic Acid.

## FILLER LINE

### PUNCTUAL HYALURONIC ACID FILLER FILLER CORRECTIVE ACTIONS

#### COD. 51160\_ML 20 (PROFESSIONAL AND SELF CARE USE)

It works by using the "Filling Spheres" technology, dehydrated microspheres of hyaluronic acid, which penetrate the skin folds at different depths, thus retaining the water in the surface layer. The volume increase that follows literally "fills" the wrinkles and at the same time increases long term hydration of upper layer of the epidermis. Panthenol and vitamins ultimately protect the skin from the aggressive action of external agents.

### ANTI-WRINKLE FILLER INSTANT ACTION BOTOX LIKE

#### COD. 51165\_ML 20 (PROFESSIONAL AND SELF CARE USE)

Latest generation Revolutionary dermo- corrective cosmetic with immediate tightening effect. It insinuates into the wrinkles filling them from the inside and forms a film on the surface of the skin. Hyaluronic Acid penetrates deep into the wrinkle, the Active Peptide Botox Like relaxes it completely and glycolic extract of Red Vine, thanks to its antioxidant power, makes the skin luminous and hydrated. Easy to apply it lasts for 8 hours and can be used on the face, neck, eyes and lips, alone or before of the moisturizing or nourishing cream, to enhance their action.

### BOTOX LIKE PUNCTUAL LIP CONTOUR FILLER

#### COD. 51155\_ML 20 (PROFESSIONAL AND SELF CARE USE)

It's the modern cosmetic solution for the prevention and treatment of delicate labial wrinkles. Its exclusive formula fills up and supports the dermis and gives volume to the skin. Its exclusive formula contains a Peptide with Botox action which gives volume to the skin acting as a wrinkle filler. The presence of Cyclodextrins and DMAE allows to replenish the energy metabolism of the skin cells and their optimal nutrition, thus slowing the aging process.

### RELAXING WRINKLE FILLER EYE CONTOUR LIKE BOTOX

#### COD. 51157\_ML 20 (PROFESSIONAL AND SELF CARE USE)

The Filler Eye Contour has been specifically formulated to combat wrinkle formation to "crow's feet" in the delicate eye area. Its formula contains a combination of active ingredients like Like Botox, Panthenol, Red Vine, Calendula and DMAE that work both on existing wrinkles and on those that are forming, leaving the skin visibly smoother and younger. In terms of anti-wrinkle action, this creates molecular structure which maintains the shape and the tissue tone.

## INTENSE SKIN CARE LINE

### LIGHTENING ANTI-SPOT SERUM With Lactobionic Acid, Vitis Vinifera, Phytic Acid

**COD. 51161\_ML 30 (PROFESSIONAL AND SELF CARE USE)**

Characterized by a high concentration of whitening active ingredients, it has a stimulating effect of cell renewal. The defects of pigmentation and color irregularities are reduced. The lightening effect of the product is due to the presence of natural components such as Bearberry, Vitis Vinifera and Achillea Yarrow and also to the presence of phytic acid, with its direct action on melanin. The skin regains its transparency and its brightness.

### BAGS AND SWELLING EYE CONTOUR GEL MASK + 25 Small Mask For Eye

**COD. 51158\_ML 30 (PROFESSIONAL AND SELF CARE USE)**

Instant restoring gel mask, it has a strong soothing and anti-inflammatory effect while improving the microcirculation and reducing the formation of periorcular swelling. From the very first applications, it reduces the bags that appear when you wake up and helps the skin to combat the signs of tiredness. The pack includes 25 masks in TNT (non woven fabric) which facilitate product application and keeping it in place, making them more effective.

### LIGHTENING ANTI-SPOT CREAM With Lactobionic Acid + SUNSCREEN

**COD. 51162\_ML 50 (PROFESSIONAL AND SELF CARE USE)**

Specific for the aesthetic treatment of brown spots of the epidermis, it acts directly on melanin, degrading and improving the hydration and skin smoothness. Formulated with Lactobionic Acid, Kojic, Azelaic and Lipoic, it is highly effective in reducing the dark spots of the skin and slowing down its reappearance. The N.M.F. and vitamin PP restore the skin's proper hydration and stability. Dark spots Usually attenuate in 6-8 weeks of continuous treatment. It contains sunscreen.

### CONTOUR EYE CREAM With Gold And Collagen

**COD. 51164\_ML 15 (SELF CARE USE)**

Specially designed for the delicate skin around the eyes, it stimulates the biosynthesis of collagen, regenerates the skin and produces an immediate lifting effect in the eye area. It contains Panthenol and Microspheres of Hyaluronic Acid, with an anti-wrinkle and filler action. This synergy contributes to a soothing and gives comfort to tired skin. The presence of micro particles of Colloidal Gold associated to a special Peptide, penetrate deep into the skin layers and stimulate cells to synthesize collagen and elastin.

## OVER BOOST LINE

### REVITALIZING CONCENTRATE AMPOULES WITH HYALURONIC ACID

**COD. 51101\_12 AMPOULES 10 ML**

The use of Revitalizing ampoules awakens the skin and tightens and fills grooves made by wrinkles. The Hyaluronic Acid, maintains and regulates the intake of water and, consequently, of oxygen to the skin: universal anti age, its function is of vital importance in keeping the epidermis always toned and bright. Filling Hyaluronic Acid promotes the penetration of its Dehydrated Microspheres, increasing the hygroscopic activity. After the application, the microspheres absorb water from the skin, allowing the product to act more precisely on the imperfection that is being treated.

### HYALURONIC ACID WOVEN MASKS REVITALIZING WITH HYALURONIC ACID

**COD. 51103\_10 WOVEN MASK X ML 35**

The synergic action of hyaluronic acid and NMF guarantees hydration and revitalization. These substances (already naturally present in the composition of the dermis) restore the ability of the skin to repair itself, penetrating in the microgrooves of wrinkles, which are filled and attenuated.

**WOVEN MASK**

### SUPER MOISTURIZING CONCENTRATE AMPOULES WITH COLLAGEN

**COD. 51102\_12 AMPOULES 10 ML**

The concentrated ampoules with Collagen restore the skin's structure and the moisture balance. Thanks to the effect of the fibers of Hydrolyzed Collagen, it supports the structure of the skin tissue and stimulates fibroblast function. It forms a protective film on the surface of the epidermis, allowing the recovery of a perfect balance of the skin and deep hydration. Hydration is then enhanced by the action of the Natural Moisturizing Factor (NMF) and allantoin.

### COLLAGEN WOVEN MASKS SUPER MOISTURIZING WITH COLLAGEN

**COD. 51104\_10 WOVEN MASK X ML 35**

This product has an extremely moisturizing action. Hydrolyzed Collagen, NMF and Allantoin are present in the formula, delivered to the epidermis through the mask and its easily absorbed. The powerful moisturizing action already starts at the application. The hygroscopic properties of Allantoin assist the activities of the Natural Moisturizing Factor, correcting the level of skin hydration.
