BREAST - STRETCH MARKS - TOTAL BODY LINE

ExtraPerformancelineincludesawiderangeofparticularlyactiveproducts,whichplaysimultaneously different, functions aimed to accelerate treatment outcomes. It is proposed **innovative active ingredients and powerful as Phosphatidylcholine, which literally dissolves fatty deposits**, and traditional as Menthol, Ginseng, Ulva Lactuca, Methyl Nicotinate, Caffeine and Carnitine, already widely known in the world of cosmetics which offer results that defy still searching in the discovery of viable alternatives.

BREAST LINE

FIRMING VOLUMIZING BREAST ACTIVE CONCENTRATES LIFTING EFFECT

COD. 52072_ML 12 AMPOULES 10 ML

Concentrates to a high concentration of active with plumping action and tightening effect that increase breast volume without interfering with the hormonal system so without any action on the mammary gland. A set of compounds of undisputed effectiveness as Tetrapeptide, Collagen, Elastin, modulate the strengthening of tissue fibers that support the breasts, getting an immediate tightening effect and firming. The process is assisted by the elasticity action of Luppolo, African Kigelia and Horse Chesnut, with the result of a breast much more turgid, hydrated and bulky.

Cod. 52073

FIRMING VOLUMIZING BREAST SERUM LIFTING EFFECT

COD. 52073_ML 30 (PROFESSIONAL AND SELF CARE USE)

Thanks to its composition based on collagen, Green Tea and Amino Acids is able to compact the dermis with an effect similar to a true crosslinked tensorio invisible. He manages to counter the sagging preventing tissue breakdown. It also has a remarkable nourishing and moisturizing ability with the derma, toning and stretching.

FIRMING VOLUMIZING BREAST CREAM LIFTING EFFECT

COD. 52071_ML 250

The tightening effect of Kigelia and Hops, associated with beneficial effects on the microcirculation of Rusco, of escin and Vitamin PP give tone to the tissue and improve the appearance of the skin surface. The combination of these active ingredients allows them to act in depth to firm and effectively counter loss of tone, elasticity and breast imperfections and neckline, reinforcing the skin envelope that extends from the base of the breast to the neck. Tightens, tones, moisturizes and stimulates the subcutaneous microcirculation.

TOTAL BODY LINE
