SUPER TAN - ACTIVATOR MILK WITH MELANIN STIMULATOR
COD. 506026_ML 250

Delicate milk tanning accelerator that promotes the natural synthesis of melanin hydrating the skin and keeping it in perfect condition. Facilitates tanning on face and body thanks to its triple action: it prepares the skin for sun exposure by strengthening its defenses, accelerating the tan and stimulating self-protection of the skin.

Contains: Walnut Husk Oil, Tyrosine, Beta-Carotene, Vitamins C And E, Allantoin, Aloe Extract, Coenzyme Q10, Pro-Vitamin B5

Cod. 506027

TAN PREPARER GEL - ACTIVATOR - BODY 3 IN 1 WITH MELANIN STIMULATOR
COD. 506027_ML 250

The preparatory gel for tanning has a light texture and rapid absorption, which accelerates and intensifies the tanning thanks to the high concentration of beta-carotene and tyrosine. Designed to prolong the duration of the complexion and maintain the beauty of the tanned skin, it contrasts the processes of cellular photo-aging. Used regularly before and after sun exposure, it significantly prolongs the duration of tanning, improving its quality and intensity.

Contains: Carrot Extract, Tyrosine, Beta-Carotene, Vitamin E, Coenzyme Q10

Cod. 506028

SELF TANNING ACTIVATOR BODY CREAM WITH MELANIN STIMULATOR
COD. 506028_ML 250

Gives the skin of the face and body a progressive tan, an enviable golden tone, shining and uniform that instantly illuminates the skin and allows a natural tan all year round. Practical to use for a "zero track" result, it can be applied occasionally to get a healthy and bright tone, daily for an intense and golden tan typical of the holidays.

Contains: Wheat Germ Oil, Walnut Husk Extract, Vitamin A And E, Aloe Extract, Beta Carotene

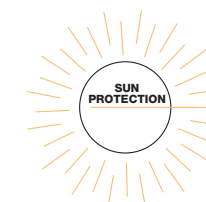

Cod. 506029

SUPER TAN -ACTIVATOR OIL FACE - BODY WITH MELANIN STIMULATOR
COD. 506029_ML 250

A valuable tanning activator with a high moisturizing power, based on ultra-light oils. The beta-carotene content, guarantees a double action: it stimulates the natural production of melanin and helps to intensify the tan faster. Thanks to the spray dispenser, it can be easily applied and absorbed quickly, leaving the skin soft and velvety.

Contains: Beta-Carotene, Sweet Almond Oil, Walnut Husk Extract, Vitamin E, Aloe Extract

SUN PROTECTION

IT DOESN'T CONTAIN PARABENS, PARAFFIN AND PETROLATUM

6 SPF LOW PROTECTION
