## PROBIOTIC COMPLEX

Innovative formulation based on Prebiotics useful for improving and strengthening the cutaneous microbiota, that is, good bacteria that improve the epidermal defense system • The line works by improving skin hydration, giving relief to the most sensitive and reactive skin, inhibiting growth of bacteria responsible for acne and oily skin and slowing down skin aging.

**Bifasic Micellar Water**  
*COD. 51190 - 200 ml*

With active Prebiotics that help soothe stressed skin and fight the attack of bad bacteria, ensures in a single simple gesture: deep cleansing, toning and immediate comfort, a moisturizing, revitalizing, antioxidant and anti-free radical action.

**Probiotic Cream**  
*COD. 51191 - 50 ml*

With its powerful antioxidant, opaque and super moisturizing action, it is a real cosmetic treatment. The Prebiotic actives also perform a protective function, favoring the regeneration of the skin and helping to counteract the proliferation of pathogenic bacteria.

**Probiotic Face Serum**  
*COD. 51192 - 30 ml*

A very light, extremely concentrated product that allows the high concentration of active ingredients such as Grape Stem Cells, Active Marine extracts, African Kigelia and Prebiotics interacting with the processes of cellular protection and repair.

**Probiotic BB Cream 6 in 1**  
*COD. 51193 - MEDIUM LIGHT 50 ml*  
*COD. 51194 - MEDIUM DARK 50 ml*  
*COD. 51195 - GOLDEN 50 ml*

The new BB Cream of Capri Beauty Line are formulated with active Prebiotics that soothe and calm the acneic and irritated skin as well as contrasting the signs of aging. In a single gesture they moisturize, protect, opacify, uniform and illuminate, naturally hiding the imperfections of the skin. Enriched with Coenzyme Q10 for an antioxidant action, and with Solar Filter, they are colored with mineral pigments and available in 3 different shades.

**Probiotic Body Cream**  
*COD. 51197 - 250 ml*

Probiotic body cream rich of natural factors that maintain and restore hydration, elasticity and skin tone, favoring an immediate sense of well-being and an incredible "silk effect", a further defense for the skin thanks to the prebiotics contained in it.

*Botox – Lifting effect  
Filling and  
Firming Line*

## DONKEY MILK BEAUTY KIT

Used since ancient times as a beauty elixir by queens and empresses, Donkey Milk is called "The White Gold of Cosmetics" because it contains an incredible amount of fatty acids, vitamin A, B1, B2, B6, C, D and E, mineral salts and is rich in proteins that help keep the skin soft and silky. Precisely for this reason, the laboratories of the Capri Beauty Line have created new products for the face and body based on this precious ingredient capable of giving the skin a tensor and lifting effect, as well as nourishing and hydrating it deeply, carrying out an anti-wrinkle action and also acting against stretch marks. In fact, donkey milk helps to stimulate the formation of collagen, retinol, elastin and fibroblasts which help to recompact the oval of the face and performs an anti-redness action, rebalancing the hydrolipidic film of the skin and restoring the skin's defenses against external irritants.
